Hello True Believers!

I will be, once again, doing the "dog and pony" show at this year's Big Wow! Comics Festival in San Jose, CA. The past 2 years that show has grown by leaps and bounds (over tall buildings one might even say) and I expect another terrific show this year. The show runs May 17-18th. Here's the website link if you want more info...

I'll be set up selling my own books and original artwork as well as selling art supplies as ART SUPPLIES, INK., my other full-time endeavor. If you didn't know my family and I opened an art supplies store in Aptos, CA last year.

I also have a massive original piece that will be in the Big Wow! art auction. Thor vs Hulk! I had a blast drawing/inking this piece as the battle and ongoing debate over who's stronger has always fascinated me. Easy answer btw: Hulk is stronger but Thor is more powerful. Anyway, if you're going to the show make sure to get in on the bidding.

In other news! I'll also be setting up at COMIC-CON INTERNATIONAL this summer. Then at STOCKTONCON and this fall at APE. Look for me at those shows.

I also recently finished my screenplay adaptation of my illustrated novel, THE LIST. Adapting it into screenplay form was a great challenge and I enjoyed every second of it. I've really learned to appreciate what

screenplay writers have to do in adapting a previously published work. It's nowhere near as easy as it may seem. Even when it's your own work!

So, fingers crossed that someday soon there's some action on that. Of all the things I've worked on I've always felt that THE LIST was the most marketable for a Blockbuster type of film. We shall see....

word.
