Hello all,

It is "For Your Consideration" time. The Harvey Awards have opened up their selection process for the 2011 awards. If you liked BB Wolf And The Three LPS JD and I would sure appreciate your consideration for any of the eligible categories. The book would qualify in several categories including, "BEST ORIGINAL GRAPHIC ALBUM" "BEST WRITER (JD Arnold)" "BEST ARTIST (Rich Koslowski)" "BEST SINGLE ISSUE OR STORY" "BEST NEW TALENT (JD Arnold)" and maybe a few others.

As always, if we were to win the drinks at the bar afterward would be on me! My standing commitment to you, the voters. I don't ask for votes without paying back my constituents you know!

Here's the link to the Harvey website where you can download a ballot.
